Snake River Salmon Recovery Board Notification of Funding Opportunity: 2022 Special Large Capital Project Solicitation

June 29, 2022

Dear: Prospective Project Sponsors,

Thank you for your interest in the Snake River Salmon Recovery Board (SRSRB) Lead Entity's Salmon Recovery Funding Board (SRFB) 2022 Special Large Capital Project solicitation. The SRSRB is requesting proposals for priority salmon habitat restoration actions in the Snake River Salmon Recovery Region that meet the following specific criteria: 1. Be identified as a high priority habitat restoration action for salmon recovery as identified in the Snake River Salmon Recovery Plan for SE WA (2011) or associated workplan (links to both can be found at www.snakeriverboard.org), 2. Have completed preliminary design according to Washington State Recreation and Conservation Office Manual 18 standards prior to December 1, 2022, 3. Total project costs must exceed \$5 million and have at a minimum \$206,000 in matching funds, and 4. Have accompanied landowner forms and meet other project and project sponsor eligibility according to RCO Manual 18.

A letter notifying the SRSRB of the intent to pursue project funding is due no later than 5pm on Monday, July 25, 2022, and must be delivered electronically to Ali@snakeriverboard.org. The SRSRB will subsequently review and identify which projects will be invited to proceed to complete the application for evaluation. Full project proposals and applications will be due Thursday, September 1, 2022. The SRSRB will proceed to select a single proposal for submission as required by the SRFB.

For questions regarding assistance completing your grant application or eligibility criteria, contact Ali Fitzgerald by phone 509-382-4115 or by email [at Ali@snakeriverboard.org](mailto:Ali@snakeriverboard.org).
